### **Doran to demonstrate safety products at 2017 UMA Motorcoach Expo**

Cincinnati, Ohio – Doran Manufacturing will be displaying and demonstrating safety products tailored to the motorcoach market at the upcoming UMA Motorcoach Expo 2017 in St. Louis, Missouri from February 26th – March 1st in booth #1010.

“The 2017 UMA Motorcoach Expo provides Doran with the opportunity to showcase our products, including the Doran 360™ Tire Pressure Monitoring Systems and integrations with telematics providers.” says Tim Mullen, Inside Sales Representative for Doran. “Obviously safe operation of vehicles is a primary focus in this market and utilizing the Doran 360™ TPMS to help maintain properly inflated tires along with LumAware Photoluminescent Technology to light the path to safety, fleet operators will help to ensure the safest possible ride for their passengers. In addition, Doran will also be displaying the aftermarket Sleeping Child Check™ monitor for school buses for those companies who also operate school bus fleets.”

About Doran Manufacturing, LLC: Cincinnati-based Doran Manufacturing has been creating solutions for 60 years including providing quality transportation safety since the early 1970s. In addition to tire pressure monitoring systems, the company supplies LED and incandescent Exterior Light Monitors, Sleeping Child Check® monitors, Emergency Exit Monitors and a full range of LED lighting products to the school bus market. Also, the company continues to manufacture customized electric terminals and terminal boards in the original factory that was established in 1953.
